
ERRATUM

Gerhard N. Schrauzer and John G. Palmer, *Z. Naturforsch.* **56b**, 1354–1359 (2001).

“The Chemical Evolution of a Nitrogenase Model, XXIV. Correlational Analysis of Effects of Organic Acids on *in vitro* MoFe-Protein Substrate Reduction Activities”.

Correction: The numbering of the acids in the abscissa of Figure 4 should read, from left to right, 20, 18, 19, 15, 17, 14, 16, 13.
